Full Disclosure

In a novice game the wife leads a low club and her husband alerts. They ask about the alert. He says "She is leading a singleton." "How do you know", one opponent asks. "Because she led it with her left hand. If it were from a doubleton, she would have led it with her right hand."

Donations

The club and individual donations allowed the group to donate \$3000 to the Streams in the Desert Lutheran Church. On the Fifth Anniversary of our existence, our Board decided to again recognize Streams because of their generosity to our Club and the Community. They have charged us minimal rent to use "our room", to store an enormous amount of equipment in their closet, to use their kitchens, to clean up after us, etc. etc. etc. The Church is a lifeline to many members of the Tucson Community.

Congratulation

Dean Frost and Sue Hagerty won the Unit Wide Championship strata A, B and
C with a 71.63 game.

BRIDGE BITES #57

THE FORCING GAME

Brian Gunnell

You are sitting West and are about to be on opening lead holding:

♠ AT98
♥ 9832
♦ KQJ3
♣ 6

South	West	North	East
		1♣	Pass
1♠	Pass	2♠	Pass
4♠	Pass	Pass	Pass

And your opening lead is what?

When the hand was played in real life, West led a Club, found East with the ♣A and got the immediate gratification of a Club ruff at Trick 2. But was that really a good thing? Absolutely not! West's robust trump holding was virtually certain to score two trump tricks anyway, and getting that Club ruff merely served to weaken West's trump holding and set up Declarer's trump winners. There's a better lead, of course, what is it?

Yes, West must lead the ♦K. There's usually not much point in chasing ruffs when you will be doing so at the expense of the natural trump winners. With such a trump holding it's usually better to play a forcing game, leading your strong suit and forcing *Declarer* to ruff, hopefully weakening her trump holding fatally. Here is the full deal:

	♠ K52 ♥ A76 ♦ A54 ♣ Q872	
♠ AT98 ♥ 9832 ♦ KQJ3 ♣ 6	Dummy West t Declarer	♠ 6 ♥ J54 ♦ T9876 ♣ A943
	♠ QJ743 ♥ KQT ♦ 2 ♣ KJT5	

First look what happened when the deal was played in real life. West led that Club, got his ruff, and shifted to the ♦K, won in Dummy. That was followed by a trump to the Queen and West's Ace. West persisted with Diamonds, but Declarer ruffed that, drew the remaining trumps, and had nothing left but winners. Making 10 tricks!

Now look what happens when West tries the forcing game. Declarer wins the opening Diamond lead, loses a trick to the ♠A, ruffs the Diamond continuation, and then gets the bad news about the 4-1 trump split. Declarer must still lose a trick to the ♣A and now another Diamond is ruinous and 4♠ goes down. To repeat, the moral to this story is: *When you have a powerful trump holding it usually doesn't pay to go after ruffs. Better to attack with the defense's strong suit, forcing Declarer to weaken his own trumps and (hopefully) to lose control.*
