Take More Tricks More Often

During the weekend of December 2nd, The Bridge Center of Greater Tucson presented Jerry Helms' 2-Day Seminar from his "Take More Tricks More Often" Series:

"Declarer Play at Suit Contracts"

Jerry is well known for his "Ask Jerry" column in the ACBL Bulletin each month, and few can match his qualifications as author, tournament player and bridge expert. 40 local players attended the 2-day seminar, which also provided breakfast and lunch on each of the seminar days.

Two seats at the seminar were provided as tournament prizes by Unit 356, with players Linda Grissom and Tina Mendenhall doing the attendee honors. In offering her comments about the weekend, Linda may have said it best:

"... the Jerry Helms Seminar was terrific. While the seminar focused primarily on play of the hand and winning tricks, Jerry also provided a question and answer session where he covered a wide range of topics. **Jerry's knowledge of bridge and his sense of humor** made the workshop not only very educational but entertaining as well. **I would highly recommend Jerry's seminar to any player who wants to improve his or her game."**

DONATIONS

The club and individual donations allowed the group to donate \$2,924 to the Interfaith Community Services, who everyday, help many local individuals and families obtain the necessities that they might otherwise be forced to go without. ICS makes the words "faith in action" a reality.

The group also donated \$1000 to Handi-Dogs in memory of Lu Rudolph.

The ACBL Education Fund also received a \$286 donation.

BRIDGE BITES #80

NERVES OF STEEL

Brian Gunnell

♠ AK76 ♥ QJ ♦ J64 ♣ QT76	<i>Dummy</i>	Both Vulnerable <i>South West North East</i> 1♠ Pass 2♠ Pass 4♠ Pass Pass Pass
♠ 932 ♥ T8754 ♦ 75 ♣ K43	<i>West East</i> <i>Declarer</i>	

As West, you lead a Diamond to East's King, East cashes the ♦A, and you ruff the third round of the suit. You exit with a trump, safe in the knowledge that this contract is surely going down, as surely your ♣K will score a trick sooner or later. But, to make things more interesting, we will assume that you are playing matchpoints and that it would therefore be especially rewarding to beat this contract by *two* tricks. What is your plan?

Your plan is simple enough, count the hand carefully and work out Declarer's distribution. Dummy's ♠A wins that, Dummy's ♥Q wins the next trick, then the ♠K is cashed (East following), and then the ♥J is covered by East's King and Declarer's Ace. A Heart is ruffed (East following) and then a Club to Declarer's Ace. What is Declarer's distribution?

You know that Declarer started with four Spades (Partner followed twice), and three Hearts (Partner followed three times). You can reasonably assume that Partner started with five Diamonds for his overcall, so Declarer started with three. That means that Declarer's initial distribution was 4=3=3=3. It was necessary for you to figure that out instantaneously as the play developed, because Declarer's next play is a low Club towards Dummy. Your play is what?

Yes, of course, you are going to play low. You know that you'll score your ♠K eventually, and by ducking you give Declarer the chance to misguess the Clubs by finessing the Ten. If Declarer does misguess then it is indeed down two. Of course, it's not a good idea to start counting only when the low Club has been led, the hesitation would give away the story. But if West counts along the way then he can duck smoothly. Whether he does so with *ennui* or *sangfroid* or *aplombness* is a matter of personal style.

	♠ AK76 ♥ QJ ♦ J64 ♣ QT76	
♠ 932 ♥ T8754 ♦ 75 ♣ K43	<i>Dummy</i> <i>West</i> <i>East</i> <i>Declarer</i>	♠ 54 ♥ K93 ♦ AKT98 ♣ J92
	♠ QJT8 ♥ A62 ♦ Q32 ♣ A85	

It didn't really take nerves of steel to duck the ♠K, all that was required was some counting as the play unfolded. That would have reassured West that Declarer started with three Clubs and not a doubleton, and that the ♠K was sure to score a trick sooner or later.

However, Declarer could have made West's job more difficult. Do you see how?

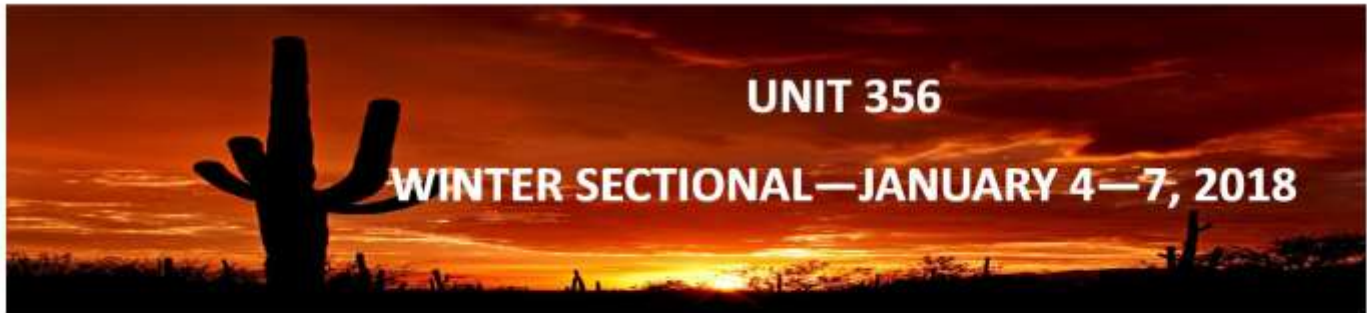

Yes, Declarer should play Club at the earliest possible opportunity, before West has a count on the hand. After the three Diamonds have been lost, Declarer should win the trump shift in hand and lead a low Club immediately. West will have no idea whether Declarer started with his actual hand or with: ♠QJT85, ♥A62, ♦Q32, ♣A8, and will grab his ♠K to be on the safe side.

We are often taught that Declarer should avoid the crucial guess until as much evidence as possible has been gathered. But it works both ways, and sometimes that evidence-gathering is helpful only to the defense!

One more question. Suppose that Declarer does decide to put West to the Club test early in the play. Remember, the defense takes its three Diamond tricks and shifts to a Spade. Declarer wins that and plays on Clubs. Why not cash the ♠A first, and *then* lead a low Club?

Two reasons:

- Declarer might run into a Club ruff (if one of the defenders has ♠Kxxx).
- When Declarer cashes the ♠A, East will give a count signal, playing the Two. That low card shows an *odd* number of Clubs, making life easier for West who will now know for sure that Declarer does not have a doubleton.
